

FAMILY GUIDANCE CENTER OF WARREN COUNTY

SUBSTANCE ABUSE TREATMENT PROGRAM

HIV and Tuberculosis (TB) Testing Consent Form

Client Name: _____ Case Number: _____

It is a State requirement that all clients enrolling in the Center's Substance Abuse Treatment Program are offered HIV testing and referrals for TB testing.

HIV Testing – Clinicians will provide clients with Pre-Test to assess the risk for HIV and to discuss the level of risk, to help clients determine whether or not to be tested.

Date of Pre-Test: _____

Client consented to be tested: Yes _____

Client Declined: _____

Client Signature: _____

Date: _____

Clinician Signature: _____

Date: _____

TB (MANTOUX or X-Ray) TESTING: Therapists will encourage all clients to be tested for TB. All clients who have not had a Mantoux or Chest X-ray within the past year will be referred to a medical practitioner for testing.

Client has had TB test in the last year: No ___ Yes ___ Test Date _____

Client presented evidence of Mantoux or Chest X-Ray: Yes ___ No ___

Client presented evidence of test results: Yes ___ No ___

Name, Address and Phone number of physician/APN who administered Mantoux or X-Ray:

Name: _____ Telephone: _____

Address: _____

Client Certification: I have received counseling regarding the importance of TB testing. I have been given a list of facilities/services where I can obtain a TB test. I also understand I can be tested by my private physician.

Client signature: _____ Date: _____

Clinician signature: _____ Date: _____

See reverse for a list of local facilities/services providing TB (Mantoux and X-ray) testing.
